*Become an Associate...*

**Why is becoming a Foundation Associate important and how does it help?**

Your membership is important because the annual donation that you make is a gift that contributes to the growth of a permanently endowed fund. An endowed fund means that the money stays with the Foundation, growing in size through wise investment practices made by the Foundation. Your membership helps because a portion of this endowed fund is used annually to support the Foundation's grant operations offering financial aid to area nonprofits and students. Your gift also joins with those of your community neighbors to build a permanent legacy for the future.

*You Can Make a Difference  
Toward the Future!*

Your wish to give back to your community can be fulfilled by becoming an Associate of the Community Foundation of the Verdugos. For a gift of as little as \$50, you can join a group that is making a difference through philanthropy. In return, you will receive regular newsletters, our annual report, invitations to special events, and the satisfaction of helping to make your community a better place in which to live and work!

**How do I become an Associate?**

By filling out the attached form in this brochure and mailing it to our office you join with others in making our community stronger!

*We Connect Caring People  
to Important Causes.*

*For good. For ever.*

Becoming an Associate provides a way for anyone with philanthropic intent to support the Community Foundation of the Verdugos, the one charitable organization that reaches out to all other nonprofits serving our community. When our Foundation was established over a half-century ago, the intention was to enable anyone to be a philanthropist. The Associates Program fulfills this vision by inviting anyone to participate in philanthropy through a tax-deductible, annual gift.
